FIP RISE Gothenburg I Number 2 seeded players win

Jairo Bautista and **Facundo Dominguez** among men, **Amanda Girdo** and **Helena Wyckaert** among women. The number 2 seed lifted the trophy in the **FIP RISE** in **Gothenburg**, the first of two **CUPRA FIP Tour** events scheduled in the Swedish city in a month.

The Spaniard and the Italo-Argentinian won the final defeating (3-6 7-6 6-2) **José Carlos Gaspar** and **Inacio Piotto Albornoz**, who had beaten **Benjamin Tison** and **Victor Mena**, the number 1 seed, in the semifinals: after losing the first set, they won the second on the tiebreak before dominating the third.

Less balanced was the final of the women's tournament, won 6-3 6-3 by Sweden's (and therefore host) **Amanda Girdo** and Belgium's **Helena Wyckaert** over **Aitana Garcia Roman** and **Alba Perez Momha**.

"I am really happy with the victory in the FIP RISE in Gothenburg - said Wyckaert - Thank you Studio Padel for the excellent organisation of the tournament. Me and Amanda are proud of our performance: let's keep it up". In **Gothenburg**, where a FIP RISE was already played in April, they will be back on court again at the end of June.

About the International Padel Federation (FIP)

About the International Padel Federation (FIP) The International Padel Federation (FIP) is the world governing body of padel, whose goal is to promote all forms of padel worldwide with: 90 Countries, 64 National Federations, + 25 million active players and 500,000 Federated Players. The sport was created in Acapulco, Mexico, by Enrique Corcuera in 1969. It was 32 years later that the FIP was established in Madrid by the legal representatives of the Argentine Padel Association, the Spanish Padel Association and the Uruguayan Padel Association, by means of Public deeds signed before the Notary Mr. Javier Gaspar Alfaro, with the protocol number 2486. We want to bring the worldwide Padel family together into one community, and make Padel a sport that is recognised and played in all the countries of the World. www.padelfip.com
