

Madrid, the 23/10/23 **The International Padel Federation and MejorSet announce the new FIP Official Court model with an exclusive design.**

MejorSet and the International Padel Federation join forces in one of the most exciting projects for the padel world: to build, market, and install the FIP Official Court. This model, **an exclusive official court, constructed and distributed by MejorSet, aims to set the highest quality standards in the game** and provide maximum visibility while maintaining a disruptive design.

**Luigi Carraro, President of the International Padel Federation**, says "The realization of a joint project with MejorSet, a company with which we have a solid partnership based on product quality and in tune with the requirements of the International Federation, represents a natural evolution of stepping into the future to make the quality standards of playing courts ever higher. The aim is to internationalize padel and standardize the technical environment in which not only the great champions of our sport perform, but also the younger generations and amateurs, who are the beating heart of the national federations. All this will make the game more spectacular, and guarantee all those who play padel a new, unique, and unmissable experience".

**Hernán Bebé Auguste, MejorSet International Development Director and Former No 1 Padel player of the World**, states that "at MejorSet, we know that padel is the sport of the future. The international presence it has had in recent years and the growth trend of this amazing sport means that a court that meets all the requirements for an optimal game worldwide is needed. Together with the FIP, we have worked on designing this court, taking into consideration padel enthusiasts from all over the world, and we couldn't have a better partnership than that with the International Padel Federation in order to achieve this."

**MejorSet has been the official court of the FIP since 2020**, present at the World Padel Championship held in Qatar in 2021 and Dubai 2022, the European Games in Krakow in 2023, and also as the official court of many prestigious and recognized tournaments such as Paris Premier Major held at Roland-Garros (2022 and 2023); Italy Premier Major at the Foro Italico, Rome (2022 and 2023), Qatar Premier Major (2022 and 2023), and the acclaimed P1 Premier Padel tournaments in Madrid, Milan, and Mendoza.

Based in Crevillente, Spain, MejorSet is part of the LeDap Group, aiming to drive the worldwide expansion of padel. MejorSet is a world leader in the design, manufacturing, and

installation of padel courts, and was the inventor of the Full Panoramic court. This revolutionary court boosted the visibility of this beautiful sport through television broadcasting.
