FIP RISE Qatar, Back to back for Gonzalez and Luque

Two titles in one week. After Kuwait, **José Luis Gonzalez** and **Antonio Luque** also won in Qatar. The two Spaniards won the **FIP RISE** in **Doha**, but the final at the Khalifa International Tennis & Squash Complex was not the same as the week before, thanks to the Portuguese brothers **Miguel** and **Nuno Deus**, who in the semifinals stopped the run of another pair of brothers, **Pedro** and **Alvaro Melendez Amaya**.

Gonzalez and Luque, number one seed on the draw, gave up only six games (6-4 6-2) to the 'Deus Brothers' in the final, ending the tournament without losing a set. *"Two titles in a row, we are happy to reach the goals we set ourselves thanks to an excellent level – the winners said – . Now ready for the Milano Premier Padel"*. Before that, however, Gonzalez and Luque will split their time for the other tournament scheduled in Doha, the **FIP STAR**, which starts on Wednesday after the end of the qualifiers.

About the International Padel Federation (FIP)

About the International Padel Federation (FIP) The International Padel Federation (FIP) is the world governing body of padel, whose goal is to promote all forms of padel worldwide with: 90 Countries, 64 National Federations, + 25 million active players and 500,000 Federated Players. The sport was created in Acapulco, Mexico, by Enrique Corcuera in 1969. It was 32 years later that the FIP was established in Madrid by the legal representatives of the Argentine Padel Association, the Spanish Padel Association and the Uruguayan Padel Association, by means of Public deeds signed before the Notary Mr. Javier Gaspar Alfaro, with the protocol number 2486. We want to bring the worldwide Padel family together into one community, and make Padel a sport that is recognised and played in all the countries of the World. www.padelfip.com
