## FIP Rise Betsson Sweden II, double for Santigosa and Collado

The **FIP Rise Betsson Sweden II** ended with the triumph of the same players from a month ago. At the **Bon Padel** in **Gothenburg** (Sweden), as had happened in January, it were **Daniel Santigosa Sastre** and **Guillermo Collado Losada** who won the tournament. In the final, the two Spaniards – who started as the number 8 seed – defeated 7-6 6-2 **Pablo Castillo Valverde** and **Candido Jorge Alfaro** (6), after losing the only set in the first round against Landaburu/Ochoa de Alda. It's a magic moment for Santigosa and Collado, who had ended 2023 by winning another CUPRA FIP Tour tournament, the Rise in **Mijas**: Collado, by the way, had also become Under-18 World Champion in Asuncion.

In the women's draw, it were **Natividad Lopez Diaz** and **Laura Lujan Rodriguez**, seeded number 8, who won in the final over **Elena De La Rosa Ramos** and **Alba Gallardo Salvado**. After losing the first set in a tiebreak, the match ended 6-7 7-5 6-3. For the two Spaniards, this is the second title in a row after the one they won last week in the FIP Promotion in Jaen. *"With the head and with work the results come – said 'Nati' –. We want to go higher and higher".*
