The intention of all parties is to create a consistent ranking in each area, both in the allocation of points and in the percentages among the various tournament categories.

In this way, FIP has protected the best players in the world, players aiming to improve their position and, at the same time, has created the conditions for new talent and also for players around the world to be able to earn points for the Official World Ranking.

FIP is ready to begin the first historic season with the **Premier Padel circuit** and **CUPRA FIP Tour**.
