

FIP, International Padel Federation chooses Mondo **The company will take on the role of Official Global Turf Partner**

Alba, 8.02.2024 - Mondo is proud to announce its partnership with the International Padel Federation (FIP) as **Official Global Turf Partner**. The agreement, signed by **Federico Stroppiana, Vice President of Mondo Group**, and **Luigi Carraro, FIP President**, designates Mondo as Official Supplier responsible for providing advanced sports flooring solutions for padel on central courts during FIP competitions. The two-year agreement reflects Mondo's dedication to enhancing the global padel sport experience.

With extensive experience in delivering high-level padel sport flooring solutions, Mondo is at the forefront of innovation in the field. The company's artificial turf systems for padel, developed since the early 2000s, were the first to receive approval from the Spanish Padel Federation in 2012.

Mondo's commitment to continuous improvement is evident in its ongoing research and development efforts. The company's laboratories focus on refining artificial turf systems specifically designed for padel, aiming to enhance both technical performance and durability. Mondo's goal is to create padel courts that optimize player performance and ensure long-lasting quality for facility managers.

*"We are honored to be selected as Official Global Turf Partner of the International Padel Federation," said **Federico Stroppiana**. "This partnership underscores Mondo's commitment to delivering cutting-edge solutions to the padel sport community."*

*"We are pleased to have signed the partnership with Mondo", said the President of the International Padel Federation, **Luigi Carraro**. "A leading company in sports flooring, which will allow us to raise the level of FIP competitions and to bring padel to a new dimension within an ongoing innovative process, aimed at both improving the sports product and ensuring the best safety of the athletes".*

As a leading manufacturer of sports flooring, Mondo prioritizes athlete empowerment. Through athlete-centered design and a focus on biomechanics and safety, Mondo products support athletes in achieving their goals. Our motto has always been WE LISTEN.WE INNOVATE.YOU WIN.

About Mondo

Mondo, a prominent company in the global market for flooring, equipment, and toys, is a family-owned enterprise established in Alba, Italy, in 1948. The group holds a leading position across diverse sectors, encompassing the production of sports flooring and equipment under Mondo Sport&Flooring, contract and transport flooring through Artigo, and the manufacturing of balls and children's toys via Mondo Toys. Mondo Sport&Flooring stands out as a key player in the global sports market, specializing in the creation of premanufactured flooring and sport equipment tailored to various applications, ranging from athletics tracks to synthetic turf for padel and football, as well as wooden gyms for basketball and cutting-edge floors for fitness facilities. With installations spanning over 196 countries, the company has established itself as a trusted provider worldwide. Since 1987, Mondo has proudly served as Official Supplier of World Athletics, solidifying its reputation as premier athletics track supplier. The company has contributed to the success of twelve consecutive Olympic Games, including Tokyo Olympic Games. Mondo remains steadfast in its commitment to producing environmentally sustainable products that are recyclable at the end of their lifecycle, ensuring athletes can perform at their best while minimizing environmental impact.
