FIP Promotion Cairo, Seurin looks for another title

Not only **Premier Padel**. Two tournaments of the **CUPRA FIP Tour**, both in the FIP Promotion category, are scheduled this weekend. At the **Cairo Stadium**, play will take place under the Pyramids, with **Egypt** hosting a men's draw of 25 pairs and a women's one of eight. Leading the men's entry list is French **Julien Seurin**, number 182 in the FIP ranking, who will be looking for his third success of the season on the **CUPRA FIP Tour** after those in Sydney and Melbourne in Australia.

His partner changes from January: **Seurin** will play with another Frenchman, **Philemon Raichman**, in Cairo. Number 2 seeded Dutch **Thijs Roper** and Egyptian **Georges Wakim**. Among the women, Germany's **Denise Hoefler** and **Victoria Kurz**, world number 127, are the leaders. Thursday's first round is scheduled, Friday's round of 16 and quarters, Saturday's semi-finals and finals.
