## GNP Mexico P1, day 2: the magical 2024 of Santigosa, two FIP Rise and now the round of 16 against Lebron-Galan

Every tournament on the **Premier Padel** circuit has its own fairy tale. In **Acapulco** it is the turn of **Daniel Santigosa**, 20, who has already won two **CUPRA FIP Tour** titles in this 2024, both in **Gothenburg** (Sweden), and who last year won two gold medals at the **European Games** in Krakow with the Spanish national team: having started from the qualifiers paired with **Miguel Gonzalez**, in the second round of the GNP Mexico P1 he defeated 6-2 6-3 **Victor Ruiz** and **Lucas Bergamini** (9), earning the big challenge with **Juan Lebron** and **Ale Galan** (2), who needed to win back a set from **Bautista/Munoz** by closing 2-6 6-3 6-4. Nothing to do for Monterrey 2022 Premier Padel champion **Fernando Belasteguain**, who was beaten in tandem with **Lucho Capra** (seeded number 6) by **Garcia/Barahona**. **Arturo Coello** and **Agustin Tapia** (7-5 6-1 to **Ramirez/Garcia**) won their debut match (and one set of suffering); **Stupaczuk/Di Nenno** (3) qualified more easily for the round of 16, giving up just two games (6-1 6-1) to **Gutierrez/Ruiz**. Two as the games conceded by Doha finalists **Mike Yanguas** and **Javi Garrido** (7) to **Perino/Chozas**.

**WOMEN** Two sets were also enough for the women's No. 1 **Paula Josemaria** and **Ari Sanchez**, whose 6-1 6-3 win over **Arruabarrena/Casali** moved them into the round of 16, as did **Ana Catarina Nogueira** and **Bea Caldera** in Doha. **Delfi Brea** and **Bea Gonzalez** (2) defeated **Borrero/Fassio** 6-3 6-2 and will now face **Araceli Martinez** and **Sara Ruiz Soto**. The eight seeds in the GNP Mexico P1 have all won: today (it starts at 11am Mexican time, 6 pm CET) the round of 16 will start on the GNP Arena with the young **Alonso/Ustero** against **Ortega/Virseda** (4) and on the Cancha Sheckers with **Canovas/Velasco** against **Riera/Araujo** (6).
