FIP Seniors World Padel Championships, nine federations with at least one medal

The **FIP Seniors World Padel Championships** in **La Nucía (Alicante)** will remain an unforgettable memory for the almost 600 players, who competed for a week on the courts of the Comunitat Valenciana in a triumph of flags, colours and cultures. The team competitions were won by **Spain** (women's) and **Argentina** (men's), but nine federations won at least one medal.

The record number of golds goes to **France**, which won five of the ten Open pairs draw (four of them among the women), but **Sweden** (women's Over 55 and men's Over 40) and **Mexico**, winner with Octavio Lara and Fabian Mujica of the men's Over 45 draw, also celebrated.

Two silvers and four bronzes (including one team bronze) for **Italy**, one silver and two bronzes for the **Netherlands**.
