## Lotto Brussels Premier Padel P2, here are the draws Many new pairs at the 'Gare Maritime'

After **Riyadh, Doha, Acapulco and Puerto Cabello**, Premier Padel - the world's only professional circuit, governed by the International Padel Federation - arrives in Europe for the first two stages that will take place in two consecutive weeks. They will be two **P2** category tournaments (the new category introduced in 2024 in Premier Padel): the first in **Belgium**, the second in **Spain**. It starts with the **Lotto Brussels Premier Padel P2**, which for many pairs - especially in the men's draw - marks a new beginning.

**MEN** After winning in Qatar, Mexico and Venezuela, leading the entry list among the men are again **Arturo Coello** and **Agustin Tapia**, the top two players in the ranking: they will debut against a pair coming from the qualifiers, which will end on Monday (main draw starting on Tuesday, finals on Sunday). As number 2 seed here is the first new entry, with **Paquito Navarro** and **Juan Lebron** returning to play together: they will debut against **Jaime Munoz** and **Javier Garcia**. Also in the same half of the draw are Fede Chingotto and Ale Galan, who in their first tournament together (the P2 in Puerto Cabello) have reached the final: their first European match is tricky, against **Edu Alonso** and **Alex Arroyo**. At number 4 on the entry list are the 'Superpibes' **Franco Stupaczuk** and **Martin Di Nenno**, who after losing four semifinals want to reach their first title. Also returning will be **Momo Gonzalez** and **Alex Ruiz** (6), just as new is the number 7 seeded pair of **Sanyo Gutierrez** and **Maxi Sanchez**.

**WOMEN** In the women's draw, **Paula Josemaria** and **Ari Sanchez** are back, and will start their journey at the **Gare Maritime** in Brussels directly in the round of 16, as will the other three top seeds: **Delfi Brea** and **Bea Gonzalez** (2), returning from their first title of the season in Venezuela, **Gemma Triay** and **Claudia Fernandez** (3) and **Tamara Icardo** and **Alejandra Salazar** (4). For **Josemaria/Sanchez**, the debut will be against the 'Carolinas' **Orsi/Navarro** (making their debut as a pair) or against two players from the qualifiers. For **Brea/Gonzalez**, on the other hand, **Collombon/Bidahorria** or the Belgian wild cards **Mestach/Wyckaert**.
