FIP Promotion Giulianova, Abbate and Graziotti will win again?

From **Teramo** to **Giulianova**, the **CUPRA FIP Tour** remains in **Abruzzo** (Italy) for another tournament that is promising show, in the **FIP Promotion** category. The game will be played at the Chico Padel, with a men's draw, a women's draw, and the performance of the **Frecce Tricolori** flying over the courts where the weekend's protagonists will perform.

In the men's draw, two of the most powerful players on the world circuit – Italians **Flavio Abbate** and **Giulio Graziotti** – are looking for their fifth title of the season, the second in a row after their success in Teramo. Abbate and Graziotti will be the number 1 seed, with **Adrian** and **Aitor Rodríguez Manzaneque** on the other side of the 25-pair draw.

In the women's tournament, on the other hand, there will be 13 pairs at the start: at the top of the entry list are the Dutch **Maike Betz** (number 135 in the FIP ranking) and the Portuguese **Margarida Fernandes** (109), followed by **Aida Martinez** and **Carla Serrano**, who like Abbate and Graziotti among the men will be looking for a double after last Sunday's success in Teramo.
