FIP Promotion Giulianova, encore of Martinez-Serrano. Pirraglia and Bruno beat Abbate and Graziotti

It was two more Italians, **Joshua Pirraglia** and **Michele Bruno**, who stopped **Flavio Abbate** and **Giulio Graziotti**, great protagonists in the **CUPRA FIP Tour 2024**, from repeating in **Giulianova** the title of a week ago in another FIP Promotion, the one in Teramo. Pirraglia and Bruno – who were the number 5 seed in the draw – won with a score of 6-1 3-6 6-3. *“In every match we were able to express our best level – said Pirraglia, who plays the Italian championship with Graziotti -. The final was beautiful, a battle on every ball against two friends who were very good throughout the tournament and to whom I extend my compliments. Michele, you were a beast: thank you for always fighting and believing. Everyone who is close to me knows how much I have suffered this last period: this victory is for all of you who have been close to me in the most difficult moments, thank you from the bottom of my heart”.*

Raising the trophy in the women’s draw were again the Spanish **Aida Martinez** and **Carla Serrano**, who had also won last week’s tournament in Teramo, a town not far from Giulianova. *“I’m happy for this result, now we hope to continue like this – the happiness of Serrano, who gains one position and rises to number 112 in the FIP ranking, with Martinez number 105 –. A special mention to our friends from Giulianova: it was a real pleasure to play here, it felt like being at home”.*
