FIP Promotion Antalya, Cremona and Di Giovanni close with a trophy

Italians **Simone Cremona** and **Lorenzo Di Giovanni** played their last tournament as a pair in **Antalya** (Turkey), but they wanted to close with a title. They did it: thanks to a 6-3 6-7 7-6 victory in the Italian derby against **Flavio Abbate** and **Giulio Graziotti**, the number 1 seed in the draw lifted the trophy, before starting a new adventure.

“One of the goals of the season was to win an international tournament, and we did it at our last tournament together – said Di Giovanni, who with this title rose to number 124 in the FIP ranking, with Cremona now number 120 –. Proud of everything we have achieved, Simo, and good luck for the next journeys”.
