## FIP Rise Riyadh, double Spanish win in the Saudi capital

The 2024 edition of **FIP Rise Riyadh**, Saudi leg of the **CUPRA FIP Tour** circuit, speaks Spanish. At Padel In “Al Rabwah”, two Iberian pairs won, with the **men's draw** being won by **David Gala Sanchez and Anton "Tonet" Sans** and the **women's draw** being won by **Anna Ortiz and Alba Gallardo Salvado**.

Among the men, that of **Gala and "Tonet" Sans** was a triumphant journey. The number 1 seeded “pareja” respected the odds and in the five matches played to win the title did not give up a single set, leaving a total of 19 games on the road. This was a great satisfaction for **Gala and "Tonet" Sans**, who in late March at the **Puerto Cabello Premier Padel P2** - coming from the qualifiers - had gone all the way to the Round of 16, where they bowed out in straight sets to **Arturo Coello and Agustin Tapia**.

More difficult was the road to glory for **Ortiz and Gallardo**, who had been assigned the No. 3 seed in **Riyadh**. The two Spanish players took a big risk in the opener in the Round of 16, where they prevailed in three sets against fellow countrywomen **Portillo and Peco**; in the title match, however, they got the better of the number 1 seeded **Lujan Rodriguez/Dominguez Gracia** in two sets (7-6, 6-1). *"I can't be happier with the team we form and I am very happy to have shown by your side how well we have done things"*, **Ortiz** said addressing her playing partner, *"It's good to share so many moments together my friend, I appreciate you"*.
