FIP Promises BNL Italy Major, the Under 18s just close to the champions

The champions of today, the talents of the future. At the **Foro Italico**, along with the **BNL Italy Major Premier Padel**, a stage of the **FIP Promises** circuit is also being played: for the second consecutive weekend, it's Rome that is hosting the young Italian players, joined by a Spanish pair, that of **Carlos Garcia-Alix Alarcon** and **Ramon Mesa Montellano**.

There are two draw scheduled at the Foro Italico, both with knockout system and both for the Under 18 category: among the men, the number 1 seed are **Enzo Vista** and **Lorenzo Bogarin** (already winners in May of the Novara stage), while among the women, **Aurora Buscaino** (who last week also won the title in the FIP Promises Maxibon Roma) and **Camilla Livioni** are leading.
