## FIP European Padel Championships Qualifiers, day 2 Portugal celebrates twice. Estonia and Switzerland ahead in women's draw

The day 2 of the **FIP European Padel Championships Qualifiers** in **Oslo** (Norway), has given the first verdicts. Four teams have already qualified for the final phase scheduled to take place in **Cagliari** (Italy) from July 22th to 27th. The only nation already sure of passing the round in the men's tournament is **Portugal**, which after **Finland** also beat **Czechia**. Everything is still open, however, in the other five groups, which allocate as many places for the final phase: everything will be decided on Sunday in the third 'tie'.

**WOMEN Portugal** also celebrated in the women's tournament: two wins out of two, against **Montenegro** and **Hungary**. But it was also an unforgettable day for **Estonia**, who, in **Group A** (composed by three national teams), repeated their victory on the day 1 against **Lithuania** against hosts **Norway**. **Norway** will still have a chance to qualify on the decisive day, as the top two in each group will enter the final phase of the **FIP Women's European Padel Championships**. Already sure to be in Cagliari is **Switzerland**, after their double victory over **Austria** and **Poland**.

The matches of the third day will also be streamed live on the [FIP YouTube channel](#).
