## FIP Rise Villa Mercedes Cup, the CUPRA FIP Tour close to Rome

It will be the city of **Frascati**, a city so close to Rome, that will host the **FIP Rise Villa Mercedes Cup** next weekend, with many protagonists of the last **FIP European Padel Championships** on court. The number 1 seed in the men's draw will be **Simone Cremona** – Italy's runner-up – and the Spaniard **Alvaro Montiel**; on the other side of the draw, another Italian player who played in Cagliari, **Marco Cassetta**, who will compete in tandem with the Argentinean **Agustin 'El Loco' Torre**. There is also curiosity for **Flavio Abbate** and **Giulio Graziotti**, the number 6 seed, who have already won five tournaments on the CUPRA FIP Tour in 2024.

On the other hand, Italy's **Giulia Sussarello** and French **Lea Godallier** will be the number 1 seed in the women's draw: both played the **FIP European Padel Championships** in **Cagliari**. In the bottom half of the draw, on the other hand, **Nuria Vivancos** and **Lucia Peralta** will try to make their way through. After the end of the qualifiers, the first round of the main draw is scheduled for Friday, with the round of 16 and quarterfinals to be played on Saturday, and the semifinals and finals scheduled for Sunday 18.
