FIP Star Gran Canaria, from Momo Gonzalez to Marta Marrero: how many big names on court

The first **FIP Star** of the season, the one scheduled in **Gran Canaria** (Spain), will see great champions on the court, both in the men's and women's draw. There are 62 **FIP ranking** points up for grabs for the winning pairs, in a **CUPRA FIP Tour** tournament that promises to be spectacular. Leading the entry list among the men will be **Momo Gonzalez** and **Edu Alonso**, respectively number 12 and number 19 in the ranking, winners in July of the **FIP Platinum Sardegna** and semi-finalists ten days ago in the **Finland Premier Padel P2**. For Gonzalez/Alonso, it will be an opportunity to improve their partnership.

The number 2 seed will be **Javi Garcia** (46) and **José Antonio Diestro** (44), with **José Jimenez** (72) and **Jairo Bautista** (37) completing the podium. In the women's tournament, with the main draw kicking off on Friday as in the men's, after the end of qualifying draws, **Carla Mesa** (32) and **Marta Marrero** (69) will lead, with **Raquel Eugenio** (83) and **Martina Fassio** (54) the number 2 seed.
