FIP Star Gran Canaria, Gonzalez-Alonso and Eugenio-Fassio win in front of a big crowd

Momo Gonzalez and **Edu Alonso** among the men, 'Canarian' **Raquel Eugenio** and **Martina Fassio** among the women. It was a great weekend of padel in **Gran Canaria**, with the stands at **Club La Calzada** full for the finals of a **FIP Star** in which a number of athletes firmly in the top 100 of the FIP ranking took part.

In the men's final, **Gonzalez** and **Alonso** (who had already lifted the trophy in last month's **FIP Platinum Sardegna**) beat 1-6 6-4 6-3 number 3 seed **José Jimenez** and **Jairo Bautista**, confirming their position as one of the most interesting pairs in this central part of the season. In the women's final, on the other hand, great happiness for **Raquel Eugenio**, who triumphed in front of friends and family, paired with **Martina Fassio**: the number 2 in the seeding dominated the final, leaving only three games to the number 1, **Carla Mesa** and **Marta Marrero**, beaten 6-1 6-2.
