FIP Rise Box to Box, many French pairs ready to win

The **FIP Rise Box to Box** is being played this weekend in **Bandol**, in the region of **Provence** (France). Many French pairs are ready to play a leading role, even if not as the number 1 seed. Among the men, Italy's **Marco Cassetta** and Spain's **Alvaro Montiel**, who played with another Italian, Simone Cremona, in last week's **FIP Rise Villa Mercedes Cup**, lead the draw. The number 2 seeded players are **Pol Hernandez** and **Rama Valenzuela**, protagonists of a great start to the season.

The number 3 seeded players, also exempt from playing the first round of the 29-pairs draw, are French **Julien Seurin** and **Maxime Moreau**. In the women's draw, on the other hand, the number 2 seed **Carla Touly** and **Jessica Ginier Barbier** are French, following **Lucia Perez Parra** and **Ana Dominguez**, number 98 and 83 in the FIP ranking. Twenty pairs are at the start (play from Thursday to Sunday), 12 of which have already been admitted to the round of 16.
