## FIP Rise Sweden V, what a weekend for the Deus brothers!

Last year, the Portuguese brothers **Miguel** and **Nuno Deus** in **Gothenburg** had stopped in the final. This time, however, the '**Deus Brothers**' lifted the trophy in the **FIP Rise Sweden V**, beating Sweden's **Daniel Appelgren** and **Linus Frost** in the deciding match with a score of 6-1 6-0. *"A great week in Gothenburg where we played at our best level and brought home the title that had eluded us last year – said Nuno and Miguel –. Thank you very much to everyone who supports us from far and near. It makes all the difference".*
