FIP Rise Sweden VII, so many talents this weekend in Gothenburg!

After their win at the FIP Promotion Vic and the final reached at the FIP Star in Kaunas, **Jaume Romera** and **Diego Dorta** are back in action at the **FIP Rise Sweden VII**, taking place at the Bon Padel Arena in Gothenburg, a venue that has already hosted several tournaments of the **CUPRA FIP Tour** this year. The young Spanish duo is the favorite in an all-male draw, which also features **Pau Miñano** and 18-year-old **Marc Sintes**, who aims to cap off a fantastic November following his triumphs at the FIP Star in Kaunas and the Rise in Oeiras.

Among the seeded pairs are **Guillem Figuerola**, teaming up with **Antonio Varo**, the latter fresh from a final at the FIP Promotion La Nucia. On the home front, **Daniel Appelgren** and **Linus Frost**, finalists at the Rise Sweden V last September, stand out alongside the pair of **Albin Olsson/Douglas Rutgeresson**. After the start of the main draw, Saturday will feature the second round and quarterfinals, while Sunday will see the semifinals and final take place.
