## FIP Rise Sweden VII, Olsson-Rutgersson win the all-Swedish final

An all-Swedish final concluded the **FIP Rise Sweden VII** weekend, the latest chapter of the **CUPRA FIP Tour** held in Gothenburg. In the decisive match at the Bon Padel Arena, **Albin Olsson** and **Douglas Rutgersson** won over their national teammates **Daniel Appelgren** and **Linus Frost**, with whom they competed in the World Championships in Doha less than a month ago.

Olsson and Rutgersson, seeded sixth, defeated their rivals (7) 3-6, 7-5, 6-2, after overcoming the Spanish duo **Romera/Dorta**, one of the tournament favorites, in the quarterfinals, and eliminating the French pair **Boronad/Fonteny** in the semifinals. For Olsson, this marks his second Rise title of the year, following his June win in Cordenons (Italy), while for Rutgersson, it is his first triumph in a CUPRA FIP Tour event. *"Finally all the way, partner!"* said **Olsson** after the match, celebrating the title with Rutgersson.
