## FIP Gold Potosí, Manquillo and Soriano for the Mexican double

In **San Luis de Potosí** (Mexico) the fourth **FIP Gold** tournament of the season is being played, the second in Mexico after the one in Saltillo in July: 125 FIP ranking points will be up for grabs for the winners. In the women's 21-pair draw, **Letizia Maria Manquillo** and **Arantxa Soriano** lead the entry list, going for their second consecutive Mexican title after the one in the FIP Star in **Aguascalientes**. The number 2 seeded players will instead be **Nuria Vivancos** and **Xenia Clascà**.

In the men's draw, on the other hand, Italians **Simone Cremona** and **Marco Cassetta** – who are coming from fourth place in the **FIP World Padel Championships** in **Doha** – will be one of the four pairs that will go straight into the round of 16; the number 2 seeded players will be British **Christian Medina Murphy** and Spanish **Alberto Garcia**, who in the last three **CUPRA FIP Tour** tournaments have reached two finals (one won in Stratford and one lost in Santiago) and a semi-final in **Aguascalientes**. The main draw will start today with the first round, while the finals are scheduled for Saturday.
