FIP Rise Padelarena Fastweb, Sintes-Moragues and Stellato-Parmigiani win in Perugia

It is a magical moment for Marc Sintes and **Nacho Moragues**. After the **FIP Star** in **Kaunas** and the **FIP Rise** in **Oeiras**, here is the **FIP Rise** played in **Perugia** (Italy). In the final **Sintes** and **Moragues**, who started as number 2 seed, defeated **Pablo Pastor** and **Francisco Cabeza Teres** (3) 6-3 7-6. *“We managed to win our third tournament together playing at a great level – Sintes said –. We end the year in the best possible way”*. *“We are very proud of all the training and sacrifices that have been rewarded – added Moragues. Now we recover our strength and prepare for next season”*.

In the women’s draw, however, the title went to Italian **Emily Stellato** and **Martina Parmigiani**, the number 1 seed, thanks to a 6-4 7-6 victory over Raluca Sandu and Nelida Brito. *“Finally after three finals in the FIP Rise a beautiful victory with you – Parmigiani’s words –. Thanks to Padelarena Fastweb, it is always nice to play in this centre”*.
