FIP Silver Australian Padel Open, the first winners in 2025. Road to Melbourne

Joel Olivera, Guillem Figuerola, Catherine Rose and Aimee Gibson. Here are the first winners of the CUPRA FIP Tour 2025, which opened with the **FIP Silver Australian Padel Open** in Sydney. In the men's final, Olivera/Figuerola (seeded number 4) beat number 6 seed Sergio Esteban Barroso and Pablo Pastor 6-3 7-5; in the women's final, however, the Britons won with a double 6-3 over Carla Fernandez and Nerea Guerra.

“What a great way to start this 2025 – the words of Olivera and Figuerola –. It was worth it to spend New Year's Eve away from family and friends”. “First title of 2025 in a beautiful country”, added Rose and Gibson. The CUPRA FIP Tour will continue this week in Australia with another big tournament, the **FIP Silver Melbourne Game4Padel Open**.
